The Compensation Sub-committee (committee) uses comparability data that is prepared by or commented upon by a competent professional. The data reflects similar organizations and/or entities from which the Foundation may attract executive talent and provides compensation levels paid by similarly situated organizations for functionally comparable positions. The President of the Foundation may assume the task of collecting the data and using it, along with a Foundation philosophy/strategy regarding compensation, to make recommendations to be approved by the committee for compensation packages of any disqualified person except him/herself. The committee should review the information presented, consider the recommendation of the President and debate the issues of compensation for each individual openly and should, thereafter, make a decision by voting. The committee reviews compensation of all disqualified persons including all employees who have substantial influence over the affairs of the organization. Substantial influence is defined as having ultimate responsibility for implementing the decisions of the governing body or for supervising the management, administration, or operation of the organization. These positions include the President/CEO, Senior Vice President(s), employed Secretary and Assistant Secretaries, Treasurer, Chief Investment Officer, Controller, employed Assistant Treasurer(s), and any person who manages a discreet segment or activity of the organization that represents a substantial portion of the activities, assets, income, or expenses of the organization. This process is undertaken for each position on an annual basis.
